**THE  
STRATEGIC  
ADVANCE®**

*To effectively lead their teams,  
Managers need to clearly  
understand the corporate **culture**,  
**purpose, vision, mission and goals**  
to understand what is expected of  
them. **Shared values and a  
common vision supported by  
clearly defined goals.** These are  
best accomplished through face-  
to-face discussion in a workshop  
environment.*

**Success just got easier...**

**Guarantee**

- We will facilitate the group through all the relevant exercises and discussions to drive towards the draft plan of your Strategic Advance within the allotted time frame (subject to team size) or work with you until it is done.

*I don't know why  
anyone would want  
to go on a strategic  
retreat? I want to  
move companies  
forward with a  
quantum leap, a  
strategic advance!*
